Procedure following a fall:

Following a fall from their machine, riders wishing to resume racing at the event must report to the doctor in medical centre and be passed fit to race. The medical centre is located in the single storey building near the circuit entrance to the right of the main paddock road.

Paddock Supplies

- CFS Formula 105 fuel can be pre-ordered through Anglo American for delivery at Darley Moor on the Friday. Use the link below to order-
- <https://docs.google.com/forms/d/e/1FAIpQLScjxP8pnSdzkYihc81TVVGwz7js8VvkZv2U8ZQphTV31a8bvog/viewform>
- TGA will be based in the big black motorhome in the far paddock behind the assembly area & will be providing a limited service with race number, spark plugs and loose Avon & Continental tyres.
- Windy Shed Classics (Jamie O'Brien) will be providing his usual paddock supplies service of tyres etc.

Grid positions

Grid positions for the first race will be determined from the results of timed practice on Saturday.

Fastest laps in each race will set grid positions for the subsequent races.

Timed qualifying will set the grids for ACU Classic and ACU Post Classic races.

Riders may opt to start at the back of the grid if they wish, by consulting with the race assembly marshal.

Transponders

If you have hired a CRMC transponder, it will be issued, fully charged, at signing-on in exchange for your race licence. Your licence will be returned when you return the transponder at the end of the meeting. Mounting brackets are available from race office. You must have your transponder fitted during practice and racing. Should you encounter problems with your own transponder, please see CRMC Race Office for a temporary replacement.
